“ As a coworker of Truman's, he never failed to keep me entertained and could always make me laugh. I coordinated a lot of his travel and he was always thoughtful enough to bring me back some little trinket from his trip. My thoughts and prayers and with his family during this difficult time. Truman will be missed.

“ I was sorry to read of Truman's death. When he would bring a group to tour the Leggett plant where I work, and when we would see each other, I would always say, "How are you doing Mr. Vacca?" He would always answer, "Just fine, Mrs. Vacca and you?" He will be greatly missed by his friends and family.
