“ *A wonderful woman and lovely lady. I always enjoyed spending time with her at different family events. She had a welcome smile that always made you feel at home. I've always enjoyed visiting with Virginia whenever we got together.*

My thoughts are with Jim, Steve and Dawn and the entire family. I wish you strength to get through this time and lots of love to know people are thinking of you and supporting you even though we can't be there.

Virginia will be missed, but very well remembered by so many she touched.
